

G12x

Scalable Platform Solution

Features and Benefits

- 18-module scalable solution accepts ITAs from the G12
- Runners along the platform provide a smooth sliding action
- Ideal for large scale fixtures

- Optional platform provides up to 350 lbs support when used with leg kit
- QuadraTrack™ engagement mechanism helps maintain precise signal integrity between the receiver and ITA
- Optional Keying Pin Kit prevents operational mismatch and protects pins from damage
- Reliable connectivity beyond 20,000 cycles

G12x Receiver

Specifications
