

## GIDEP Membership and AS5553C Compliance Statement

This statement clarifies Virginia Panel Corporation's membership in GIDEP (Government-Industry Data Exchange Program) to communicate noncompliance as it pertains to counterfeit components. This statement also clarifies Virginia Panel Corporation's compliance with SAE AS5553C and the recommended counterfeit parts control plan.

Our Commitment:

- Annual GIDEP Utilization Record in accordance with Chapters 2 and 5 of the GIDEP Operations Manual.
- Communication to VPC suppliers that all components and material are new, unreclaimed and unsalvaged unless otherwise notified.
- Flowdown of AS5553C and DFARS 252.246-7007 to all VPC suppliers on every purchase order.
- When OEM, OCM, or franchised distributors are not available; documentation and material for evaluation will be required for in-house verification.
- In-house training on counterfeit mitigation sourcing and counterfeit identification.
- Risk based inspections, tests, and notifications.
