## NOTICE OF PRODUCT OBSOLESCENCE

Please be advised that effective immediately, VPC is obsoleting the VPC iCon 960 and all associated products offered as part of the iCon 960 product line. In order to minimize the impact to existing iCon 960 users, VPC is offering a six-month final buy opportunity. This final opportunity to purchase is available only through November 15, 2022. After this date, **no products** associated with the iCon 960 product line will be available for purchase.

The list below contains iCon 960 part numbers. Please note that this list does not serve as a complete list of part numbers and does not limit the part numbers impacted. Other part numbers may also be obsoleted without notice.

Part No.	Description	Part No.	Description
410124104	ITA w/ (2) QP 480 POS Modules	310124103	RCV w/ (2) QP 480 POS Modules
410124105	ITA w/ (2) 192 POS QP & (2) 96 POS TP Modules	310124105	w/ (2) 192 POS QP & (2) 96 POS TP Modules
410124122	ITA w/ (4) 96 POS TP Modules	310124122	RCV w/ (4) 96 POS TP Modules
410112804	ITA Protective Cover	310113489	RCV Protective Cover
410112775	ITA Enclosure w/ 2 Clamps		

**\* Please note:** *The modules used with the iCon 960 ITA and Receiver (90 Series modules) are not product-specific and will not be impacted by this product obsolescence.*

VPC recommends the G2 (2 module) or G6 (6 module) solution for use in place of the iCon 960. G Series products are also compatible with 90 Series modules.

Thank you for your continued support of VPC.
